## *Nohito Mocktail Recipe*

### INGREDIENTS

- 4 teaspoons caster sugar
- 100ml lime juice
- 2 limes, cut in wedges
- 30g fresh mint leaves (keep a few back to garnish)
- 20 ice cubes, crushed
- 1 litre soda water
- makes 4 drinks

Put the sugar in the base of a 1.2litre jug and add the lime juice, with the crushed mint leaves and stir

Half fill the jug with the crushed ice and add the lime wedges and stir, then top with the soda water. Pour into glasses and garnish each with a sprig of mint
